Am I forsaken?
Am I forsaken?

Let there be lights
heaven's too delight
Let there be sights
For all is lost now

Light from darkness
Back it's bright
here we stand now
Hold me tight

I saw the sign
For she has foretold
and she has forseen
Am I forsaken?

I don't regret it
and I don't deny
For I saw dark
Am I forsaken?
(forsaken)

What death may bring
My soul is drowning
Are we trespassing?
Or here to dwell in this house of pain?
Going and Staying

Light from darkness
Back it's bright
Here we stand now
Hold me tight

I saw the sign
For she has foretold
and she has forseen
Am I forsaken?

I don't regret it

and I don't deny
For I saw dark
Am I forsaken?
(forsaken)

Am I forsaken?
Hoooo
Am I forsaken?

I saw the sign
For she has foretold
and she has forseen
Am I forsaken?

I don't regret it
and I don't deny
For I saw dark
Am I forsaken?
(forsaken)

Oh ho
Oh ho
Am I forsaken?

Am I forsaken?
