In anguish and in agony  
Who would have thought  
That this turns to shapes and thoughts  
Which haunt me  
This hell within  
Of blood red tears  
Without mercy  
Full of fears  
I'm into a frenzy  
Got myself to blame  
For I believed in you  
I'm under pressure  
This state of mind  
Which enables me to ravish you alive  
A lover bit my hand  
Like a snake and I'm dying  
Day by day  
As venom runs through my veins  
Enslaving me, caving me  
I'm into a frenzy  
Got myself to blame

For I believed in you

I'm under pressure

This state of mind

Which enables me to ravish you alive

To be loved is all I need,

Whom I love I love indeed
