Oh Lord  
I want to thank you  
For choosing and taking from me  
Oh Lord  
I believe  
I'm down on my knees

Yeah I know things are bad  
Maybe it just has to be that way  
If there's one thing that I know  
I believe  
I want to thank you for taking care of my friends  
They're alright and that's alright  
But if there's one thing that I know  
I believe  
In a love supreme  
I'm down on my knees

Everybody wants to go up to heaven  
But it's seldom that they want to die  
And everybody wants a little peace  
But how seldom is that a piece of life  
Oh Lord  
I believe  
God in the cure and God in the disease
