Wake up  
It's a beautiful morning  
Honey, while the sun is still shining  
Wake up  
Would you like to go with me?  
Honey, take a run down to the beach

Oh, mama  
I wanna go surfing  
Oh, mama  
I don't care about nothing

Wake up  
There's a new kid in the town  
Honey, he's moving into the big house  
Remember  
When I was so very hopeless  
Darling, he's gonna make it all better

Oh, mama  
I wanna go surfing  
Oh, mama  
I don't care about nothing

Down, down baby  
Down by the rollercoaster  
Sweet, sweet baby  
I'll never let you go (X 4)

Oh, mama  
I wanna go surfing  
Oh, mama  
I don't care about nothing

Oh, mama  
I wanna go surfing  
Oh, mama  
I don't care about nothing
