Oh baby, I don't know what to do with myself
Oh honey, I don't know what to do with myself
I'm sleeping in the kitchen (Sleeping in the kitchen)
I'm eating in the bedroom (Eating in the bedroom)
And everything is backwards (And everything is backwards)
I wish I never met you (I wish I never met you)

And I don't know what to do
When I see you holding someone else's hand
And I don't know what to say
'Cause when I open my mouth I always sound so stupid
How am I gonna make you mine?
How am I gonna make you mine?

Oh baby, I don't know how you live with yourself
Sweet honey, you know I don't want nobody else
I'm sleeping through the day (Sleeping through the day)
Oh, I'm moping through the night (Moping through the night)
I hope you love me some day (You love me some day)
So I can hold you through the night (Can hold you through the night)

And I don't know what to do
When I see you holding someone else's hand
And I don't know what to say
'Cause when I open my mouth I always sound so stupid
How am I gonna make you mine?
How am I gonna make you mine?

And I don't know what to do
When I see you holding someone else's hand
And I don't know what to say
'Cause when I open my mouth I always sound so stupid

And I don't know what to do
When I see you holding someone else's hand
And I don't know what to say
'Cause when I open my mouth I always sound so stupid

How am I gonna make you mine?
How am I gonna make you mine?
