Darling, you can be so unforgiving,  
You can be so unloving,  
You can be misunderstanding  
But I don't know how to feel without your love...

So tell me what to do do do do dodododo do do

It's a lovely night with the moon in the sky-e-oh

It's a lovely night with that look in your eye-e-oh

But you still sleep with your back to me.  
Is me and you or is it me and the moon?

O baby, I thought that you forgave me,  
I thought that you still loved me,  
Don't you need me...

I want it forever, (X 16)

It's a lovely night with the moon in the sky-e-oh

It's a lovely night with that look in your eye-e-oh

But you still sleep with your back to me.  
Is it me and you or is it really nothing?
