Before I die I'd like to do something nice
Take my hand and I'll take you for a ride
You hit me yesterday because I made you cry
So before we die I'd like to do something nice

I want to buy you something
But I don't have any money
No I don't have any money
I want to buy you something
But I don't have any money
No I don't have any money

And if I had a car, I would trade in my car
If I had a gun, I would trade in my gun
Honey we ran from the country when we rushed to the
city
And now there's nothing to be done...

I want to buy you something
But I don't have any money
No I don't have any money
I want to buy you something
But I don't have any money
No I don't have any money

I want to buy you something
But I don't have any money
No I don't have any money
I want to buy you something
But I don't have any money
No I don't have any money
I want to buy you something
But I don't have any money
No I don't have any money
I want to buy you something
But I don't have any money
No I don't have any money
