I'm a Mortal and I don't feel  
I'm not emotional and I don't care  
I go to work and there ain't no job  
I got an Idea come on blow my brains  
My sack is full I'm bored to death,  
Come on blow my brains  
Ya know I cannot multitask  
So come on blow my brains  
When you see me on the corner  
Come on blow my brains

Come on... blow my brains  
Come on come on and blow my brains  
Come on... blow my brains  
Come on come on and blow my brains

I don't ever want to know ya  
And I don't wanna have to owe ya  
Just a mouth and I don't love ya  
Suck away the pain and blow my brains  
My sack is full I'm bored to death,  
Come on and blow my brains  
Ya know I cannot multitask  
So come on and blow my brains  
When you see me on the corner  
Come on and blow my brains

In the name of STIV, in the name of the dead  
Of the walking dead in the name of stiv, B.M.B.  
Come on... and blow my brains  
Come on come on and blow my brains  
Come on... and blow my brains  
Come on come on and blow my...
