I can't smoke inside bar
Can't smoke in a restaurant
Got a ticket on the sidewalk
Just for lightin' up
Can't smoke in the boys room
Can't smoke without the look
Of yer killin' us

[Chorus]

Arrested me for fucking dope
You took away my fuckin' hope
They got my choices
Outlawed all my vices
And now they want my pack a smokes

Smoke what cha got
Smoke what cha got
Smoke what cha got

While ya got em
While ya got em
While ya got em
