Ask me for the world

It doesn't seem much

Ask me for the moon, dear

And I'll reach out and touch

(CHORUS)

Anything for you, for you, dear, only

But please don't ask me to be lonely

Ask me for the stars, dear

And I'll do your command

Ask me for the diamonds

I'll put them on your hand

(CHORUS)

I searched this world

This whole wide world

Looking for a girl such as you

I gave up my search

When I looked into

Pretty, pretty eyes of blue

Dooby dooby dooby

Ask me for the stars, dear

And I'll do your command

Ask me for the diamonds

I'll put them on your hand

(CHORUS)

Don't ask me to be lonely
