Forever, that's how long
I'm gonna love you
Forever, that's how long
I'm gonna need you
Forever, that's how long I'm gonna

Make you mine, all mine, all mine
All mine, all mine

You wanna know how long am I
Gonna be your guy, yeah
Lookie here

You wanna know how long it'll be
You sleeping with me, yeah, yeah

Just as long as the sun stays in the sky
That's how long it's gonna be, yeah
(All mine, hey, all mine)

Forever (forever)
That's how long I'm gonna love you
(We got to stay together)
Forever, that's how long
I'm gonna need you

Forever, that's how long I'm gonna
Make you mine, all mine, all mine
All mine, all mine

You wanna know how long
Will we live in fantasy, yeah, yeah
Hey, come on, listen

You wanna know (wanna know)
How long am I gonna kiss you for
Yeah, yeah (yeah)

Just as long as one and one is two
That's how long it's gonna be
Me and you

Forever (yeah, yeah)
That's how long I'm gonna love you
Forever (oh, baby, baby)
That's how long I'm gonna need you
(Hey, baby, baby)
(We have to stay together)

Forever (no, no)
That's how long I'm gonna love you
(Hey, baby, hey, baby)
Forever (forever)
That's how long I'm gonna need you
(Sometimes you make me wanna say)
(La la la la) forever (la la, Lord, have mercy)

Gonna be forever, ahh
(Forever, forever, forever)
Hey, baby, lookie here
Gotta stay together
(Forever, forever, forever)
Hey, baby, lookie here

Gotta be, gotta be, gotta be
Forever (forever, forever, forever)
La la, la la, la la la...
(Forever, forever, forever)

(Forever, forever, forever)
Sometimes you make me wanna moan
(Forever, forever, forever)
La la la la la la la...
(Forever, forever, forever)

Just got, got to you mine, all mine
Hey, baby, hey, baby
Just gotta make you all mine
Just gotta make you all mine, oh, no

Just gotta make you all mine
Just gotta make you all mine. hey, baby
Just gotta make you all mine
Just gotta make you all mine

Sometimes you make me
Wanna say la la la la
Just gotta make you all mine
Just gotta make you all mine

Hey, baby, don't go
Just gotta make you all mine
Just gotta make you all mine

La la la la la

Just gotta make you all mine
Just gotta make you all mine
Hey, baby
Just gotta make you all mine
Just gotta make you all mine

Sometimes you make me wanna
Sing la la to you, baby
La la la la la...

Hey, baby, hey, baby
La la la la la...
Hey, baby
Just gotta make you all mine
