Yeah they said it couldn't last  
'Cuz we shout and play too fast  
But I'm here now singing this song  
So I think someone got it wrong

Fast'N'Loud - Punk'N'Proud!

We don't wear bondage anymore  
I chucked that lot out the door  
So now they say that punk is dead  
But it's alive and kicking in my head

Fast'N'Loud - Punk'N'Proud!

See us walking down the street  
We wear Doc Marten's on our feet  
Gone is the orange spikey hair  
But the punk spirit is still there

Fast'N'Loud - Punk'N'Proud!  
Fast'N'Loud - Punk'N'Proud!  
Fast'N'Loud - Punk'N'Proud!  
Fast'N'Loud - Punk'N'Proud!  
Fast'N'Loud - Punk'N'Proud!  
Fast'N'Loud - Punk'N'Proud!  
Fast'N'Loud - Punk'N'Proud!
