"A Time For Emily"

Well, you've seen all that you came for.
It didn't help you at all.
Watch as I break rank and dissolve.
Emily, why don't you miss me?
You hung around for so long.
But I got no friends and you got no resolve.
Was it so long ago?
You asked me to stay behind.
You said I didn't care at all.
Was it so long ago?
I asked you to stay beside me all through the years.
The death of this mess finally came around
With no relief this year.
Congratulations you just fucking disappeared.
