I saw you walking down the street  
And I couldn't help but stare  
I stuck my hand into my pants  
And you didn't seem to care  
You seemed to show confusion  
I knew what was in store  
I knew what would come next  
Yet I still wanted more

I wanna show you my penis  
I wanna show you my love  
I wanna show you my penis  
It's a gift from up above

It's a gift from up above  
At first I was confused  
I was in a daze  
Where would this take me?  
My mind was filled with haze  
This moment was consuming  
I felt that we were one  
I'm filled with this moment  
Dancing in the sun

I wanna show you my penis  
I wanna show you my love  
I wanna show you my penis  
It's a gift from up above

You healed this aching heart  
And you kept me out of harm  
I am lonely no more  
Thank you for your charm

I wanna show you my penis  
I wanna show you my love  
I wanna show you my penis  
It's a gift from up above
