Bacon, bacon  
I can't eat any more  
Just another piece  
And I will fall right to the floor  
Put it on a frying pan  
400 degrees  
Cook it for a while  
Eat it with Swiss cheese  
I fry my bacon  
And so can you  
Today bacon's all I need  
To try and help me through

Ham, ham  
A tasty little treat  
The more you cut the piggy up  
The more that I will eat  
Honey baked ham  
That's where it is at  
Take it from the oven  
Eat it with my cat  
Yummy, yummy, yummy  
Spiral ham will do  
Come and eat this ham with me  
And I will eat with you

Pork, Pork  
Many Different types  
I'll eat any one of them  
As long as it is ripe  
Pork, Pork  
Breakfast dinner lunch  
I eat piggy every day  
Boy I love to munch

Spam, Spam  
What is in that stuff?  
Don't know what it's made of  
But I just can't get enough  
It is in a can  
Open that can up  
Lather it with butter

You need just one cup  
It is not nutritious  
But it tastes very great  
I had a yummy breakfast time  
Cuz spam is what I ate

Sausage, sausage  
That is piggy too  
Cook it till it's golden brown  
Not until it's blue  
Eat it for breakfast  
Eat it with eggs  
Go eat your sausage  
With bionic legs  
In the pork family  
Sausage is the king  
For my yummy sausage  
I'll do anything

Pork, Pork  
Many Different types  
I'll eat any one of them  
As long as it is ripe  
Pork, Pork  
Breakfast dinner lunch  
I eat piggy every day  
Boy I love to munch
