Sprinkles where are you?
When are you coming home?
This life's so desperate
When did this world grow cold?
You were a good friend
One I wish I still had
So can you blame me
If I'm a little mad

Caught in the middle
You were so insecure
You were so little
Andy was so unsure
Sitting all alone
In your little house
There was a fire
None of us could douse

I still think about you sometimes
These thoughts won't leave my mind alone
Come on and hurry home

Sprinkles!
I can't get over you
I don't know what to do
Sprinkles!
You'll always be in my heart
Even now we are apart
What am I going to do?
I will remember you

Went to your funeral
It was a sad event
Try not to think of
All of those times we spent
Your soul lives on
Or at least I pray
I feel the sadness
As you are washed away

I still think about you sometimes
These thoughts won't leave my mind alone

Come on and hurry home

Sprinkles!

I can't get over you

I don't know what to do

Sprinkles!

You'll always be in my heart

Even now we are apart

What am I going to do?

I will remember you
