Darling baby
Life is so lonely without you (x2)
Since you've left this arms of mine
I've been alone and crying, wondering why you lefted
me behind
Darling baby, can't carry on since you've been gone
Why don't you please, please come on home?
Let's talk it over baby, baby, baby, baby let's talk it over
one more time
Oooh, so many nights i wondered who is holding you
tight
Can't help but feel it should be me, oh it should be me
Cause i'm forever losing sleep at night
Darling baby, i've been alonging you so long
Tell me what did i do wrong
Come back to this arms of mine, let's talk it over, let's
talk it over one more time
Darling baby, this world is empty without you
Keeps me crying with nothing to do since you've left
these arms of mine
Let's talk it over baby, baby one more time
...hmmm darling baby
