I've cried through many endless nights  
Just holding my pillow tight  
Then you came into my lonely days  
With your tender love and your sweet ways

Now I don't know where you come from, baby  
Don't know where you've been, my baby  
Heaven must have sent you into my arms

Now in the morning when I awake  
There's a smile upon my face  
You've touched my heart with gladness  
Wiped away all my sadness

So long I needed love right near me  
A soft voice to cheer me  
Heaven must have sent you, honey  
Into my life

Ooh, It's Heaven in your arms  
Boy, it's the sweetness of your charms  
Makes me love you more each day  
In your arms I wanna stay

Wanna thank you for the joy you brought me  
Thank you for the things you taught me  
Thank you for holding me close  
When I needed you the most

Now I don't know much about you, baby  
But I know I can't live without you  
Heaven must have sent you  
To love only me

Ooh, it's Heaven in your arms  
Boy, it's the sweetness of your charms  
Makes me love you more each day  
In your arms I wanna stay

It's Heaven in your arms  
It's the sweetness of your charms  
It makes me love you more each day

In your arms I wanna stay

It's Heaven in your arms  
Boy, it's the sweetness of your charms  
Makes me love you more each day  
In your arms I wanna stay
