It's been a long, long time  
It's been a long, long time

It's been a long, long time  
Since I wanted to hold, hold you close  
And I long just to  
(Hold you close, hold you close)  
It's been a long, long time

And, oh, oh  
It's been a long, long time  
Since I've wanted to  
Kiss your sweet lips  
Yes, I long just to  
(Kiss you once, kiss you twice)  
It's been a long, long time, oh, yeah

You know I (been all over the world)  
I been all over this world  
(Searching for someone like you)  
Searching for someone like you  
(Much to my surprise) ohh  
You came, you came into my view

And, oh, oh, oh  
It's been a long, long time  
Since I've wanted to hold, hold you close  
And I long just to  
(Hold you close, hold you close)  
It's been a long, long time

Since I (held you close, held you close)  
Mmm, I wanna (kiss you once, kiss you twice)  
It's been a long since I  
(Held you close, held you close)
