Put yourself in my place  
If only for a day  
See if you can stand  
The awful hurt I feel inside

And, oh, oh  
Put yourself in my place  
For just a little while  
Live through the loneliness  
The endless emptiness I go through

And then you lose a little sleep at night  
Cause you ain't been treated right  
You know, heartaches are sad  
Sitting by the telephone  
Being left all alone  
Then you'll know why I'm feeling bad

(Put yourself in my place)  
And, oh, on my mind

And when you're just about to go insane  
Cause it hurts to love in vain  
Ask a girl who's in love  
I believed your evil line  
Now I'm left alone and crying  
Alone to count the stars above

Put yourself in my place  
Only for a day  
See if you can stand  
The awful hurt I feel inside

Ooh, baby  
Put yourself in my place  
Just a little while  
Why don't you try it  
Why don't you try it  
Baby, baby, try it

Put yourself in my place  
Ooh, baby

Come on and try it  
Come on and try it  
Baby, try it, baby, try it
