With the fire from the fireworks up above me
With a gun for a lover and a shot for the pain at hand
You run for the cover in the temple of love
You run for another but still the same
For the wind will blow my name across this land
Believing pain and fear outside
But someone near you rides the weather
And the tears he cried will rain on
Walls as wide as lovers eyes
In the temple of love - shine like thunder
In the temple of love - cry like rain
In the temple of love - hear my calling
In the temple of love - hear my name
And the Devil in the black dress watches over
My guardian angel walks away
Life is short and love is always over in the morning
Black wind come carry me far away
With the sunlight died and the night above me
With a gun for a lover and a shot for the pain inside
You run for cover in the temple of love
You run for another, it's all the same
For the wind will blow and throw your walls aside
With the fire from the fireworks up above me
With a gun for a lover and a shot for the pain at
You run for the cover in the temple of love
I shine like thunder, cry like pain
And the temple of love grows old and strong
But the wind blows stronger, cold and long
And the temple of love will fall before this
Black wind calls my name, to you no more
In the black sky thunder sweeping under
Ground and over water, sounds of crying,
Weeping vwill not save you
Faith for bricks and dreams for mortar
All your prayers must seem as nothing
Ninety - six below the wave when
Stone is dust and only air remains
In the temple of love - shine like thunder
In the temple of love - cry like rain
In the temple of love - hear my calling
In the temple of love - is falling down
