[Verse 1: MC Ren] I'm rulin' you niggaz, from high up  
above So bow down bitches, show the Villain some love  
Let the baritone seat, gettin' fucked up on the weak  
Gettin' fuck the Police Mothafucker give me a drink  
Hard nigga swervin, burnin' the street I done drop my  
fuckin' blunt, now it's burnin' the seat See my nigga  
"HIGH!" then crack me a bitch They take my ass to the  
crib to smoke a little bit And laugh of all you niggaz be  
tryin' to do it So keep your ass back, my son passed out  
You niggaz have to be whack, your mamma be jockin'  
But can you blame that bitch, how these hoes be  
blockin? They want the Villain, they want my ass  
stretched out "Tripe X" shit with my nuts in their  
mouths Because I'm Bout It! Bout It!, nigga gotta shout  
it And if I tell you I'm the best mothafucker don't doubt  
it [Chorus: MC Ren X2] These are the tales, the Villainist  
Tales These are the Tales, a nigga knows so well  
[Verse 2: MC Ren] How many whack niggaz must get  
dissed? Before the Villain say: YOU CAN'T FUCK THIS!  
This shit'll blow your fuckin' brain into pieces When  
you're dealin' with the villain, niggaz dyin' to meet us  
Whores tryin' to great us, every state that I'm in And  
Bitch-Ass-Niggaz wait to hate once again Can't help  
them selves, they're born a pussy Doin' this shit up in  
your hood but your ass is a rookie These niggaz out  
side posted it up by the curb In a hurtle like a team  
while they're passin' the herb See the Punk-Ass-Police,  
run up on the whole east Talkin' that shit, mothafucker  
you don't know me Nigga, I'm Ren, I'm the shit around  
here Your weak ass only been rappin' for a year Shut  
your ass up, take your bitch and walk I'm statin' a  
fuckin' word, unless you told to talk [Chorus: MC Ren  
X4] These are the tales, the Villainist Tales These are  
the Tales, a nigga knows so well
