A motherfuckin' fiend, before I became a teen
The villain was fuckin' with bitches instead of cones or
ice cream
Niggas be killin' the villain like aids with whack rhymes
These niggas don't be havin' no lyrics

All they talk about is nines and chronic
The villain be doin' that but I can switch up
Kick some unreleased shit nigga pick your bitch up
The villain be killin' you niggas that's runnin' with clicks

Ren be own 'em, niggas be runnin' with clicks
'Cause they can't do it on they own lonesome
From CPT to NYC, I keeps it hot
Bitches be worshipin' a nigga with shrines and parking
lots

Ten years of damage motherfuckin' rap god
Traded in the Dayton's on the foe with 3 tripods
The villain be travelin' at the speed of light
'Cause I might be uniden-tah-fied if I come whack
Motherfuckers late at night

Niggas be waking up forgetting the whole thing
Nigga, it ain't over till the hoe sing, bitch, sing it

Makin' your spot hot attract the feds and protest
Kidnappin' bitches and make the scene grotesque

Real niggas and bitches niggas hangin' out
CPT dwellin' shots, reignin' out
Sellin' coke, hoes takin' dicks down they throat
Bitch niggas comin' up, pissin' all you find is a ransom

Same hoes when I was little, fuckin' niggas for cash
Now they baby mommas 'cause they wanted niggas
with dope
Stuck with stretch marks and niggas names tattered by
they throat

Some on they titties, ankles and ass
Every neighborhood got these stankin' tricks from the
past
They be at the clubs, pussy's used up
They tiity's six feet, there stomachs lookin' bruised up

Real niggas turn the light out, nigga, till they child's
through
These hoes today be havin' niggas rob you
Just to come up, so niggas can fuck em' with cheap
weed
Makin' motherfuckers go and drop a week seed

Thinkin' they max Julie fake ass macks
All the hoes shake the spot once they smoke up your
chronic sack
Who's getting played nigga you or the hoe
These bitches be fuckin' you and your doe, niggas fuck
