Hey there, baby doll
Come meet me in the bathroom stall
Or anywhere, anywhere you please
Hey there, lover please
I'm begging you, I'm on my knees
It's cruel to make me wait a second more

[Chorus:]
'cause you know you've got me
(yeah you've got me)
I can't wait
(I can't wait)
Wait to have you on the floor
Wait to get inside your door
I can't stand it anymore
Oh no

Come here, cutie pie
I need your kiss or I will die
I'm waiting here, waiting here for you
I've been watching you
There are things I'd like to do
If I can take you home with me tonight

[Chorus]

Hey there, baby doll
Come meet me in the bathroom stall
I'm waiting here, waiting here for you
Please, oh baby, please
I'm begging you, I'm on my knees
I guess I'll have to wait a while more

[Chorus]

Whoa-o-o-o-o-o-o-o-o

[Chorus]
