I told my friend I'd check for you  
He told me that he liked you too  
But then I saw him kissing you  
I could've died when he said, hands off she's mine  
Said hands off she's mine  
Hands off she's mine  
Hands off she's mine, I want her all the time  
Hands off she's mine, hands off she's mine.  
I knew that this was real although  
It usually comes mixed up with fear.  
I knew that I could wait  
Although it just might take a thousand years.  
Said hands off she's mine  
Hands off she's mine  
Hands off she's mine, until the end of time  
Hands off she's mine, hands off she's mine.  
La, la, la, la,  
La, la, la, la,  
La, la, la, la,  
La, la, la, la.  
Now we're going steady, been together several weeks  
I check out all the other guys who we see on the streets  
When I say, hands off she's mine  
Hands off she's mine  
Hands off she's mine, it takes up all my time  
Hands off she's mine, hands off she's mine.  
I said hands off me DAUGHTER  
I tell ya get yer hands off me DAUGHTER  
C'mon mek me said don't mess around on ya,  
C'mek mek me tell ya don't want ta get ya.  
La, la, la, la,  
La, la, la, la,  
La, la, la, la,  
La, la, la, la.  
Funny how the best things never last for every day  
I thought she was my girlfriend  
'Till I heard that someone else was saying,  
Hands off she's mine. Hands off she's mine.  
Hands off she's mine. Hands off she's mine.  
Hands off she's mine. Hands off she's mine.  
Hands off she's mine. Hands off she's mine.

Hands off she's mine. Hands off she's mine.  
Hands off she's mine.
