Something shows in your face  
Aren't you forgetting yourself  
Nearly let your mask slip  
Twist and crawl, twist and crawl, twist and crawl  
Twist and crawl, twist and crawl, twist and crawl

Emotion packed in every tear  
Emotion mirrors your fears  
Smile and say hello dear  
Twist and crawl, twist and crawl, twist and crawl  
Twist and crawl, twist and crawl, twist and crawl

Walk into a niteclub  
See you standing in there  
Both your eyes are on me  
Wonder what makes you care  
Wonder what makes you stare

Walk into a niteclub  
All your friends are in there  
Is that really blond hair?  
Why don't you play fair,  
You could be in Mayfair?

You broke my heart in several pieces  
Not supposed to be that easy  
Have to read the books again  
Twist and crawl, twist and crawl, twist and crawl  
Twist and crawl, twist and crawl, twist and crawl

But you can't hurt me anymore  
I haven't got a heart no more  
No feelings get in my way  
Twist and crawl, twist and crawl, twist and crawl  
Twist and crawl, twist and crawl, twist and crawl

Did you think that i'd return  
Emotions all i need to learn  
Now you're gonna feel the same  
Vice-a-versa love and pain  
Vice-a-versa love and pain

Did you think that i'd return  
Emotions all i need to learn  
Now you're gonna feel the same  
Vice-a-versa love and pain  
Vice-a-versa love and pain

Now i've made a new way  
Now my mind is rearranged  
Now i can't be sure again  
Twist and crawl, twist and crawl, twist and crawl  
Twist and crawl, twist and crawl, twist and crawl

Are we really happy or maybe just pretending  
I can't tell the difference  
Twist and crawl, twist and crawl, twist and crawl  
Twist and crawl, twist and crawl, twist and crawl

I can have a new face  
I can have a new body  
I can have a new boy  
I can have a new girl  
I can have a new world

I can have a new face  
I can have a new body  
I can have a new boy  
I can have a new girl  
I can have a new world

I can have a twist and crawl  
I can have a twist and crawl  
Twist and crawl, twist and crawl, twist and crawl
