Today... is the first day of the rest of your life
And I... I'm wishing I was there
But you're probably thinkin'
You know... I bet you don't even know what day it is
And yeah... That's something I deserve

Because for the last year or so
I haven't said a word
And when you made your plea
I looked the other way
But I tell you it was bullshit
And I'm wishing that you knew
That you're my only everything
And I swear to you that it's true

And I wish that I was there...

Today... is your ultra-mega, super-special day
And yeah... I'm wishing I was there
But you're probably thinkin'
You Know... you'd better not miss the last train to
Loserville
And Yeah... You know, that's something I deserve

Because for the last year or so
I haven't said a word
And when you made your plea
I looked the other way
But I tell you it was bullshit
And I'm wishing that you knew
That you're my only everything
And I swear to you that it's true

And I wish that I was there...
