Girl of mine  
Why don't you go and tell another lie  
Why don't you go because the truth hurts much too  
much sometimes  
So baby tell another lie

Sugarcoat the truth and baby tell me that you love me  
again  
'Cause I couldn't bear to hear I'm just another one of  
your friends

And you don't have to be sincere  
Just tell me what I want to hear

Sugarcoat the truth 'cause I don't wanna be the one left  
behind  
And I couldn't live knowing that I was never worth and  
time

And I got reason to believe  
That you know just how to deceive

Gimme something I can hold onto  
'Cause you know I'm still in love with you  
Gimme something I can take back home  
'Cause I don't wanna be alone
