And so the guy gets the girl but unfortunately the guy  
ain't me  
I think I've read this book a few times before  
I know the plot like the back of my hand  
And the subject matters more than I can stand  
But I can't seem to ever put it down

She's the queen of my dreams but unfortunately she's  
M.I.A.  
And I'm clueless as to where she could be  
And I wrote this letter 1000 times to you,  
But there's nowhere to send it to  
Where the hell are you?

Take me to the skyway  
I'm sure that Westerberg would say  
I'm Feeling Minneapolis again...
