

The Ergs! **"Pool Pass"**

I wanna Pool Pass To get in and look at you
I wanna Pool Pass 'Cause that's what I wanna do
I wanna see the flesh underneath your shirt
I'm goin' outta my head like Cobain comma Kurt
I wanna Pool Pass to get in and look at you

I wanna Pool Pass So our meeting can commence
But I guess for now I'll just wait outside this fence
Cause you're the girl that I wanna make
And I wonder if fries come with that shake
I wanna Pool Pass to get in and look at you

[3rd verse, same as the first]
