Did you ever see starlight  
Rushing from the skies  
Heading for home  
In a certain someone's eyes

(CHORUS)

Uh uh huh, that's my baby  
Talking bout my baby and I love him  
He's a walking miracle (ooh, ooh)  
He's a walking miracle (ooh, ooh)

Did you ever see sunshine  
Come pouring out of space  
Just to be part of  
The smile on someone's face

(CHORUS)

And you should see  
Cherries do flips, oh, yeah,  
When they're picked to be  
The taste on his lips, oh, yeah

And I know how happy  
His clothes must be  
Cause that's how I feel  
When he's close to me

Did you ever see loving  
That really rings a bell  
Kooky and crazy  
Like Romeo himself

(CHORUS)

And you should see  
Cherries do flips, oh, yeah,  
When they're picked to be  
The taste on his lips, oh, yeah

And I know how happy  
His clothes must be

Cause that's how I feel  
When he's close to me

Did you ever see loving  
That really rings a bell  
Kooky and crazy  
Like Romeo himself

(CHORUS)

He's a walking miracle  
(Walking, walking, walking)  
He's a walking miracle...
