A new boy came to town  
I ain't seen you around  
I feel a brand new heartache comin' on

It happened once before  
When a guy moved in next door  
I feel a brand new heartache comin' on

Why can't I trust in you?  
Why do you try to make me blue the way you do?  
Last night we planned a ball  
You never showed at all  
I feel a brand new heartache comin' on

(instrumental)

Why can't I trust in you?  
Why do you try to make me blue the way you do?  
Right now we've got a date  
& you're 3 hours late  
I feel a brand new heartache comin' on
