GEE BUT IT'S LONELY

(Phil Everly)

Â« Â© '57 Acuff-Rose Music, BMI Â»

Got dad's car and chauffer but that's no good to half a pair

Gee but it's lonely being alone may as well go home

Got on my suit my shoes are shined all dressed up for a real good time

Gee but it's lonely being alone might as well go home

What's wrong with me that I can't find someone for my own

Why should I be left behind left to be alone

The girl I asked out told me a lie there she goes with some guy

Gee but it's lonely being alone guess I'll go on home

Guess I'll go on home guess I'll go on home guess I'll go on home
