Dancing everywhere  
All over the world  
Even in in the jungle  
Rocking is the word

Ne ne na...

Everyone is dancing  
Yes and gay  
Cheetah, Boy and Tarzan  
Even Jane

Swinging through the trees  
With a jungle harmony  
Rocking till the morning  
With this crazy beat.

Ne ne na...

Here comes Boy  
Singing a song  
And Cheetah listening  
Says he's kinda slow

Cheetah turns and says  
Hey, Boy  
Give me rockin' stuff man  
The kind that makes me go

Ah, ah, ah...

They're trying to get together  
Happy for Jane  
Jane's his girl  
Jane shakes away

They all get together  
Happy in time  
They all dance together  
Rocking through the night

Ne ne na...
