A new boy came to town
I ain't seen you around
I feel a brand new heartache comin' on

It happened once before
When a guy moved in next door
I feel a brand new heartache comin' on

Why can't I trust in you?
Why do you try to make me blue the way you do?
Last night we planned a ball
You never showed at all
I feel a brand new heartache comin' on

(instrumental)

Why can't I trust in you?
Why do you try to make me blue the way you do?
Right now we've got a date
& you're 3 hours late
I feel a brand new heartache comin' on
