Oh-oh-oh-oh, say you'll be mine
Give me future

All I have is the past that a-didn't last
That a-ruins my chances with you
The years ahead hold nothing but the thought
That maybe I won't have you.
Nothin' can compare to the loneliness
That forces me to plead with you

Oh-oh-oh-oh, say you'll be mine
Give me a future

Your arms to hold me tight
That's what I need
You lips, to kiss goodnight
And try to please
You eyes, to see the love
For which I reach

Please say the words that make you mine
For all I have is the past that a-didn't last
That a-ruins my chances with you
The years ahead hold nothing but the thought
That maybe I won't have you
Nothin' can compare to the loneliness
That forces me to plead with you

Oh-oh-oh-oh, say you'll be mine
Give me a future
