I'm gonna make real sure
That you don't make her blue
I'm gonna make real sure
She forgets about you

You took her from me
By the way you lied
For her happiness
I stepped aside

You didn't treat her good
Right from the start
And you really made me mad
When you broke her heart

I'm gonna make real sure
That you don't make her blue
I'm gonna make real sure
She forgets about you

You played it smart
You played it cool
You played love's game
By your own rules

But if you're so smart
How come you didn't see
When you broke her heart
You'd have to answer to me
And I'm gonna make real sure
That you don't make her blue

I'm gonna make real sure
She forgets about you
You might as well get packed
And get out of town
Don't try to see her

Don't you hang around
'Cause if I catch you
And I sure would like to

When I get done
She might feel sorry for you

And I wanna make real sure
That you don't make her blue
I'm gonna make real sure
She forgets about you
