Travellin' down our different roads  
Tryin' hard to leave the load  
We take it there but we can't let go  
It's so hard to lay it down

Back in Eden we were tried  
Found ourselves dissatisfied  
Seeking wisdom she denied  
Tryin' hard to lay it down

Lay it down brother, lay it down  
So hard to lay it down

Hide in me, confide in me  
Don't you think it's time to be  
Everything we tried to be  
You and me should lay it down

So speak to me, be unashamed  
There's no need in playing games  
After all we're all the same  
Tryin' hard to lay it down

Lay it down brother, lay it down  
So hard to lay it down

Wish my words could make it well  
Wish that I could break the shell  
Take us from our self-made hell  
Find a way to lay it down

Burdened by the things I've learned  
Hurting 'cause I'm too concerned  
Nonetheless I confess I yearn  
To find a way to lay it down

Lay it down brother, lay it down  
So hard to lay it down  
Lay it down brother, lay it down  
So hard to lay it down...
