I've got your cryptic letters in my inbox, yesterday
Am I a fool to dream your love
I've been a fool before, I've been a fool in war
Your image floats around me like a butterfly

Your Hologram lingers
Your memory stays with me
Are you just a dream inside my head
Cause Cortana you're the only one I see

If I could only touch your soul
Would you disintegrate and float away
I could never ever have you I know
But I can't stop thinking about you girl
Cause Cortana you're the only one

Your Hologram lingers
Your memory stays with me
Are you just a dream inside my head
Cause Cortana you're the only one I see

Deep into my silver memories
Yeah, into my dreams
Your image floats around me like a butterfly
Your Hologram lingers
Your memory stays with me

Your Hologram lingers
Your memory stays with me
Are you just a dream inside my head, cuz
Cortana you're the only one
Cortana you're the only one I see
