Six years hasn't been too long  
And I'm holding our stance strong  
To the values of our fate  
We partied every party to the ground  
Turned every backyard upside down  
And by and by we have survived

So don't start runnin'  
The flood is comin'  
We're all gonna drown in here tonight

This is something real for all of us  
And this is how we roll can you feel it  
So girl get up and dance you know what to do  
Don't be shy this is why you came out here tonight to  
Let loose

Tomorrow morning's gonna hurt  
I hope I don't wake up in the dirt  
One more sip and I'm fallin' asleep  
Oh I've been hearing things I didn't do  
But there're versions I'll tell you  
And by and by we have survived

So don't start runnin'  
The flood is comin'  
We're all gonna drown in here tonight

This is something real for all of us  
And this is how we roll can you feel it  
So girl get up and dance you know what to do  
Don't be shy this is why you came out here tonight to  
Let loose
