Over the frozen hills I fly
Arbiter is by my side
Is this the end of our mankind?
A highway is a lonely place
Were fighting for our human race

And I'm the star... of Halo 3... of Halo 3

I jump so high into the sky
Guns a blazing I'm on fire
The Chopper's closing down on me
It seems the brutes have learned to fly
Jackal snipers begin to fire

And I'm the star... of Halo 3
And I'm the star... of Halo 3

Master Chief Hush
Master Chief Hush
Master Chief Hush
Master Chief Hush

And I'm the star... of Halo 3... of Halo 3... of Halo 3... of
Halo 3
