(We take take take what we want)
So Roman lied about the mansion, but that's alright
(I'm alive, I'm alive)
We're taking over anyway, and it all starts tonight
(I'm alive, I'm alive)

And they say OOOHH
Welcome to America
(We take take what we want)
You better get strapped
(Take take take what we want)

And they say AHHH
Welcome to the city life
(Take take what we want)
You better watch your back, Nikko
(Take take take what we want)
Cause everyone's a rat

Single's night at the gun club and it's time to pay the
bills
(I'm alive, I'm alive)
Cops and the hustlers all, just trying to get their little
thrills
(I'm alive, I'm alive)

And they say OOOHH
Welcome to America
(We take take what we want)
You better get strapped
(Take take take what we want)

And they say AHHH
Welcome to the city life
(Take take what we want)
You better watch your back, Nikko
(Take take take take what we want)
Cause everyone's a rat

Just let me drive...
We take what we want out in Liberty City
Rollin around it's just another stolen car

You got to be ready out in Liberty City
There's blood on the ground it doesn't matter where
you are

We take take take what we want.
We take take take what we want.
We take take take what we want.
We take take take what we want.

It's just another stolen car.

Welcome to America
We take take take what we want
You better get strapped
We take take take what we want
Welcome to America
We take take take what we want
You better watch your back, Nikko.

Welcome to America
We take take take what we want
Cause everyone's a rat
We take take take what we want
Just let me drive...
We take take take what we want
We take take take what we want

Welcome to America
We take take take what we want
We take take take what we want
We take take take what we want
Just let me drive...
We take take take what we want
