I was walking down the street one day
And I felt like playing X Box Live
Something in the distance caught my eyes
And I turned to see it was beautiful

Don't you ever say goodbye, x box live
Don't you ever say goodbye, x box live

Mommy says 30's too old for this
But she don't understand me
When I log in and begin to play
It's like I'm in another world

Don't you ever say goodbye, x box live
Don't you ever say goodbye, x box live
Don't you ever say goodbye, x box live
Don't you ever say goodbye
X Box Live
XBox Live

Don't you ever say goodbye, x box live
Don't you ever say goodbye, x box live
Don't you ever say goodbye, x box live
Don't you ever say goodbye
