Iâ€™m never so sure of anything at all
But one thing I can count on
A friend is good when
Your backs against the wall
And Iâ€™ve know them for so long
If I never saw the light of tomorrow
I would hold no regrets
I wouldnâ€™t want any sadness or sorrow
This is as good as it gets
I live for you, you live for me
You know Iâ€™d die for you
And I know you do the same
After all that weâ€™ve been through
In lifeâ€™s messed up games
If I never breathed again
I wouldnâ€™t change a thing
You know I die for you
And I know you feel the same

All thoughts times that I
Knew that I was wrong
And the worlds pushing me down
And all the times that thought I cant go on
They picked me off of the cold ground
I canâ€™t explain what they all mean to me
To them Iâ€™m in debt
Its not just friend itâ€™s a family
And that you can not forget
I live for you, you live for me
Iâ€™m thankful and grateful
In this life that Iâ€™m able
To find a family other than my own
And to get through this life
And not to do it on my own
And if I never breath again I wouldnâ€™t change a thing
You know I live for you
