What're you fighting for  
But have you thought about it  
And realized that  
Stupid people come along  
The way  
Ignite your fire  
To boil your blood  
You cant let them get inside your head  
Thats what they do yeaaah  
They're gonna fuck with you  
You got to look at the full picture  
Take my advice yeaaah  
Stay cool as ice  
So put out that fire in your eyes  
Your fists are clinched and  
Knuckles turning white  
Your worst enemy it is...is yourself  
And its killing you  
And its killing me  
So do everyone a favor tonite and shut those eyes  
Shut those eyes full of fight  
And you will see  
That you're better off keepin your coooooo  
Keepin your coooooo  
Keepin your coooooowhoa  
Keepin your coooo  
Yes you know shes just a stupid girl  
Who doesn't know or realize the meaning of faith  
Yes you know  
Yes you know that your much much better then this  
The things she does oh the things she does  
Is makin you go insane  
So put your fists down  
By your side  
Dont want to be the one to instigate a fight  
So be the man  
So be the man in a situation  
The situaiton of our contamination  
So put out that fire in your eyes  
Your fists are clinched and  
Knuckles turning white  
Your worst enemy it is...is yourself

And its killing you  
And its killing me  
So do everyone a favor tonite and shut those eyes  
Shut those eyes full of fight  
And you will see  
That you're better off keepin your cooooo  
Keepin your coooooo whoa  
Keepin your coooooo whooooo  
Whoooooo yeah
