LIES

LIES

Heaven's just too far away

For all the sins I must pay

Save your soul

From these things I can't control

Don't

Tell

Me what to misconstrued

Lies

You

Can't have what I need from you

Despise, that what takes away from your

Soul

Rape

Anyway you can't deny

Heaven's just too far away

For all the sins I must pay

Save your soul

From these things I can't control

LIES
