Hey
My conscious is on the run
It's only 'cause I forgot to tell
You're not the only one
Come
And show me what you've got
My guess is better than yours
It's not about what I am
It's about what I'm not
Yeah

Whoaaa
Come on and hate me
Whoaaa
Come on and hate me
My reputation precedes me
In everything that you see
May not be the best of me
Or of her
Or of him
That could be
Nothing in the past three days
Pledge to us your dying hate
With these memories of you suffocating me
Suffocating you

Breath
In your fascination
About how I overcame life's asphyxiation
You
You're not all that I've got
Hope the things I've spilled
And screamed from mouth
Break you

Whoaaa
Come on and hate me
Whoaaa
Come on and hate me
My reputation precedes me
In everything that you see
May not be the best of me

Or of her
Or of him
That could be
Nothing in the past three days
Pledge to us your dying hate
With these memories of you suffocating me
Suffocating you

My reputation precedes me
In everything that you see
May not be the best of me
Or of her
Or of him
That could be
Nothing in the past three days
Pledge to us your dying hate
With these memories of you suffocating me
Suffocating you
