Hearts are breaking now, she says I don't care (I don't care)

It ain't my business, nose in the air.

Hell is breaking loose, she says I don't mind (I don't mind)

She's got new things to take up her time.

Little white lies with matching suits and ties I put her in a place,

I'm all alone and I'm off getting stoned, staring off into space.

It makes me shiver it makes me shake,

You wanna give give give, but I don't wanna take from you,

Getting modern kicks.

Hearts are breaking now, she says I don't care (I don't care)

It ain't my business, nose in the air

Hell is breaking loose, she says I don't mind (I don't mind)

She's got new things to take up her time.

Little white lies with matching suits and ties I put her in a place,

I'm all alone and I'm off getting stoned, staring off into space.

Well I'm gonna do just what I will,

And I'm going away unless she's throwing up or sick,
I'm getting modern kicks

Little white lies with matching suits and ties I put her in a place

I'm all alone and I'm getting stoned, staring off in space

It makes me shiver it makes me shake

You wanna give give give but I don't wanna take
Getting modern kicks

Modern kicks... I can't get modern kicks
