I was sick; I was losing my mind (yeah yeah, yeah yeah)  
Couldn't make it so I told her why (yeah yeah, yeah  
yeah)  
I got enough, and I'm getting hot,  
I'm jumped up a rocket high,  
Oh yeah, but you better relax.

Can't tell me what to do (yeah yeah, yeah yeah)  
I ain't a monkey, a monkey in a zoo (yeah yeah, yeah  
yeah)  
I got enough, and I'm getting hot,  
I jumped up a rocket high.  
Oh yeah, but you better relax.

Psychotic reaction driving me insane (oh yeah, insane)  
Two thousand milligrams running through my veins (oh  
yeah, in my veins)  
Baby, I'm alone in my room (shooting up some glue)  
I'm still crazy for you.

Psychotic reaction running through my brain (oh yeah,  
in my brain)  
Two thousand milligrams driving me insane (oh yeah,  
insane)  
Baby I'm alone in my room (shooting up some glue)  
I'm still crazy for you.

Oh, oh, don't get so something  
Oh, oh, oh, AHH!

I got enough and I'm getting hot,  
I jumped up a rocket high,  
Oh yeah, but you better relax.

I don't want something new rockin' in my head. (oh

yeah, in my head)  
Something (oh yeah, in my bed)  
Baby, I'm alone in my room (shooting up some glue)  
I'm still crazy for you.
