Everything you stand for is a
Lie

Hold me up as high as
You want, I'll always fall
Straight back down.

Life
Hasn't caught up with me,
Supremely and obliged.

Waged war to a hypocrite
Nation torn well wide of the
Lines.

The fathers on men
Should be warned of this day,

Take those rules guided by
The cloth,

You will soon
Understand that you can twist and
Turn them with these different
Eyes.

Hold me up as high
As you want, I'll always fall
Straight back down.

STEP
UP

I will strike you down
And throw you to the wolves

And I will strike you
Down

This world will have
It's Armageddon

Take a
Mightier opinion

Clearer
Perception and take note, not to
Believe.

A book can be
Imagination but misread
Hundreds of minds wronged,
One writer is strong.
